

18 NOV (SAT), B.30AM - 1.30PM

LEADERS FOR TOMORROW

FORWARD-LOOKING & VIBRANT CURRICULUM

THINK BETTER WITH METACOGNITION

Be empowered to think and adapt with confidence! We integrate metacognitive practices into our curriculum to guide you to master how you learn and think!

HOLISTIC LEARNING EXPERIENCES

Learn to connect the dots between disciplines, solve real-life problems and reflect deeply on your learning with our holistic learning experiences, inspired by the Parallel Curriculum Model and enabled by technology!

STEM & LEADERSHIP OPPORTUNITIES

LEAD BETTER AS HONOURABLE LEADERS FOR TOMORROW

Grow your leadership capabilities at YI with our schoolwide leadership programmes! We provide opportunities for all Yusoffians to develop 21st Century Competencies and become better creators, connectors and contributors!

IMMERSE IN AUTHENTIC STEM LEARNING

Through our Applied Learning Programme, you will be **immersed in a myriad of STEM opportunities** to grow you into a future STEM pioneer! This includes partnerships with:

2 teams at Singapore Youth Science Fair
1 Distinction & Most Innovative Project
1 Commendation Award

SMART AND INNOVATIVE CAMPUS

ENVIRONMENT AS THE THIRD TEACHER

At YI, every place is a learning space. Our campus is thoughtfully designed to make learning more dynamic, engaging and progressive. Students can learn anywhere, at any time!

COMPETENT, CARING & INSPIRING TEACHERS

PASSIONATE AND DEDICATED MENTORS

At YI, our teachers are passionate mentors dedicated to sculpting your unique educational journey, tailored to your needs!

CENTRE FOR TEACHING & LEARNING EXCELLENCE

As the Centre for Teaching and
Learning Excellence for secondary
schools since 2015, we partner
Master Teachers, NIE professors and
Ministry of Education experts to lead
the way in transforming teaching
and learning in Singapore!
